25 Reasons Why You Should Join NRG Wave

THE COMPANY

1. Purpose-Driven

NRG Wave was created with the intention of doing things differently.

The focus is not just on selling products, but on building a community, and share and support system, that helps people improve their **health and their finances (health and wealth)** in a simple and practical way.

2. Experienced Leadership

NRG Wave is supported by experienced company leadership, field leadership, and team leaders with real-world experience.

There is a strong foundation of people who are focused not only on building a business, but on helping others succeed, building something meaningful, and creating both health and wealth for the community.

3. Chief Science Officer

A major strength of NRG Wave is Chief Science Officer Dr. Marty Monahan.

He has over **36 years of experience** as a licensed and certified expert in chiropractic, naturopathy, and holistic therapies, helping patients achieve optimal health naturally.

He has been approached many times throughout his career to serve as a **Chief Science Officer or Advisory Board Member**, and he declined those opportunities because the science was not strong enough. This is the first time he has accepted this type of position, based on the quality of the science, the breakthroughs behind the products, and the mission of the company.

That adds a level of credibility that is not common in the industry.

THE COMMUNITY

7. Free To Join

NRG Wave allows anyone to JOIN FOR FREE as a Community Member.

Just like joining a social network platform but with one major difference:

You can EARN REWARDS when people purchase products through your network.

Also, unlike membership platforms there are **no monthly or annual membership fees.**

This makes it easy for people to join the community for free and have the option to purchase products and/or earn rewards without having to buy anything.

8. Member Model

NRG Wave uses simple, easy to understand, membership terminology.

Community Member: A member who joins for free, can access community content, and purchase products and services monthly, or as needed.

Rewards Member: A member who joins for free, can access community content, can purchase products and services monthly, or as needed, and can refer others to earn weekly rewards and residual income.

This creates a community and movement feel rather than a traditional sales environment.

9. First-Mover Advantage

Being one of the first in your city, state, region, or country can be a major advantage when building a community movement and network. That kind of positioning does not happen often and there is a real opportunity to be involved early with NRG Wave.

25 Reasons Why You Should Join NRG Wave

11. Grassroots Street Level

The concept of “**Grassroots Street Level**” means simple, real, practical and affordable.

It is designed for everyday people, not just professionals or experts.

It’s about people supporting people in a way that’s affordable and easy to understand.

12. Community Movement

NRG Wave is designed to feel like a movement and social network community, while maintaining the best features of an affiliate marketing and network marketing business model.

A typical wellness product is priced around **\$49.00**, which is approximately **\$1.63 per day**.

This makes it realistic for more people to use consistently, creating an inclusive model rather than an exclusive one.

NRGiize AI tools have different levels of pricing levels. Check the NRG Wave website.

Community Members and Rewards Members see the same pricing, which eliminates confusion and makes the system easier to explain.

Community Members and Rewards Members can also purchase Member Support Packs to save money and receive special benefits.

25 Reasons Why You Should Join NRG Wave

Key Product Volume (PV) & Rewards Plan Features:

Dollar For Dollar PV: On wellness products. Example: \$49/49 PV higher than industry avg.

Community Member PV: Can be placed on the team with lesser volume in the Binary.

Dynamic Compression: On Every Order Bonus (EOB) & Overflow Matching Bonus (OMB).

Up To 70% Payout: Double the industry average of 35%. Rewards Paid Weekly.

This creates a balanced system that works for both beginners and experienced members.

24. Earn Without Buying

One of the most unique aspects of **NRG Wave** is that a person can **Join For Free** as a **Rewards Member** and **earn rewards on EVERY ORDER** purchased by the **Community Members & Rewards Members** they refer without having to purchase a product. This lowers resistance and makes it easier to get started for everyone.

25. YOU + 2 SHARE & SUPPORT SYSTEM

The **YOU + 2 Share & Support System** is based on 2 simple and affordable steps:

Step 1: Purchase A Couple of Products.

Step 2: Refer A Couple of People.

That's it! You can engage with the **2 Steps** any way you want.

If you only want to purchase 1 product or no products in **Step 1** you can do that and you can refer 1, 2, or unlimited numbers of members in **Step 2**.

Either way you can **Earn NRG Wave Rewards as a NRG Wave Rewards Member** when purchases are made by the members you refer.

The ultimate goal is to **do both steps every month to Create Support For YOU + 2!**

25 Reasons Why You Should Join NRG Wave

The YOU + 2 Share & Support System supports 2 Key Areas simultaneously:

- 1. Health**
- 2. Wealth**

Then...

A simple math formula for duplication that we all learn at an early age: $2 + 2 = 4$

With just 4 personally referred members who purchase wellness products monthly:

- 1. You unlock all 3 parts of the Rewards Plan**
- 2. The cost of your product is virtually covered (except for shipping)**

This is the first goal and something community members can achieve with minimal effort.

It doesn't matter how long it takes:

- 4 hours
- 4 days
- 4 weeks
- 4 months
- 4 seasons
- 4 years

Also, rank advancement follows the same pattern:

- Growth and rank advancement happens in **sets of 2 and 4**
- **10 personal referrals** can position you at the Diamond Level
- **20 personal referrals** can maximize the full Rewards Plan

And every time a wellness product is purchased, it creates $2 + 2 = 4$ Types of Support:

- 1. Health Support:** For Members Who Purchase Products For Personal + Family Use
- 2. Wealth Support:** For Rewards Members Who Personally Refer Other Members
- 3. Wealth Support:** For Rewards Members Building A Team Of Rewards Members
- 4. Wealth Support:** For NRG Wave To Operate & Continue To Grow
